

PMA FOUNDATION
FOR INDUSTRY TALENT

To Live, To Learn, To Leave a Legacy

TIP MURPHY LEGACY FUND

The PMA Foundation for Industry Talent (PMA FIT) has created the **Tip Murphy Legacy Fund (TMLF)** to honor the life and career of Terrence "Tip" Murphy, a 15 year veteran of the produce industry. The fund will aid industry professionals seeking to advance their leadership skills and better serve the industry by providing scholarships to PMA and PMA FIT leadership programs.

The goal of the fund is build a permanent endowment of at least \$250,000 by 2012 to award scholarships in perpetuity, thereby creating a legacy in memory of Tip. A limited number of scholarships, the first being awarded in November 2008, will be granted while the endowment is being raised. Scholarships will cover event registration fees and associated hotel expenses for recipients selected to participate current and future PMA and foundation leadership development programs.

The PMA Foundation for Industry Talent attracts, develops and retains talent for the produce value chain. This scholarship fund specifically supports our development strategy to build a smarter supply chain by developing competent, skilled people prepared to lead our industry.

All PMA FIT donations, including those earmarked for the Tip Murphy Legacy Fund are tax deductible. To make your contribution while at Fresh Summit, please **complete the form below and take it to the PMA Center or PMA Registration in Hall B4** (cash and check line even for credit card donations)

Contributions may also be made by mail to:
